The Saint Luke Catholic Church Parish Picnic will take place on Sunday, September 10, 3:00-7:00 p.m. A true community event, we expect more than 500 people to attend. There is no charge to attend and all the work for the event is done by volunteers. Grilled hamburgers, bratwurst and chicken with salad and side dishes are offered along with beverages and desserts.

Entertainment for all ages is provided with music, face painting, inflatable slides and games. Our attendees range from toddlers to great-grandparents and it is a wonderful experience to see our community come together for an afternoon of fun and relaxation.

At this time we would ask you to consider sponsoring the Saint Luke Parish Picnic. The vast majority of our parishioners are McLean residents and patrons of our local businesses. Your sponsorship would enhance our faith community gathering and include prominent recognition in the church vestibule prior to the event, on signage at the event, in our weekly church bulletin for two weeks and our monthly electronic newsletter. Our sponsorship levels are listed below and fit any budget. We hope to see your name in the print materials for the event and even better, stop by the picnic to spend time with neighbors!
