Partial/Full Scholarship Requested

Touching the Divine– A Study of the Gospel of John

Do you find it hard to feel close to Christ because you just don't know Him very well? If you've ever wondered what Jesus was really like, *Touching the Divine* will help you find the answer. The more you come to know Him, the more your love for Him will grow – and the more you will learn of His great love for you. This thoughtful study of the Gospel of John will introduce you to Jesus and then draw you closer to Him as you reflect on His personality. As your relationship deepens, so will your faith, trust and understanding of what it means to be God's precious and beloved daughter.

Part I: 2025-2026      Part II: 2026-2027
